

Note: You may alter this slide design to match your template. Make sure your title slide includes all of the listed information, including the logo appropriate for your research

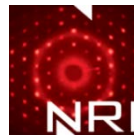

Paper Title

Authors (presenter first)

University

Presenter's e-mail address

Logos available on SRC website at:
<http://www.src.org/about/logos/>

Theme/Task: XXXX.XXX

Visual Title Here – 36 pt. font, bold

- Use 24 pt. font or larger for readability
 - Use a landscape format
 - 40 words or less per visual
 - No more than 8 lines per visual
- Use Clear illustrations
- Include name and visual number as a footer on all visuals

Tech Transfer

- Industry Interactions
 - List any industry experts involved with your research
 - Say a few words about your interactions with industry
- Internships (if appropriate)
 - Describe transfer/information exchange that happened during an internship at a member company
- Publications/presentations
 - Where is your work published (SRC website?)
 - Have you made a presentation to a member company?

Motivation for Research

- Describe problem(s) addressed in your research
- Why is this research important to industry
 - Remember that your audience will include both people that are and are not familiar with your project
