

TECHCON 2014

Technology & Talent for the 21st Century

TECHCON engages SRC students beyond their classroom and laboratory experiences, providing an incredible opportunity to present their research at a national level. Within this collaborative environment, students also learn about cutting-edge research at other universities, meet graduate students from a variety of universities, and connect with industry leaders who can provide insight on career options. I encourage all SRC members, as well as participating faculty and students, to attend TECHCON 2014 — it is a true inspiration to witness the brilliance of our industry's future!

LARRY SUMNEY
President and CEO
Semiconductor Research Corporation

TECHCON, SRC's annual research showcase event, provides the opportunity for SRC-sponsored students to reveal their innovative and inspirational research to the SRC member companies. It provides a venue for students to network with each other, share their enthusiasm and passion for their work, establish career-lasting relationships, and talk about their big ideas of how they will change the world. TECHCON 2014 is about applying creativity with commitment to our ever-evolving industry.... and it is an honor and joy for me to serve as Chair for this event.

KEN HANSEN
Vice President, Chief Technical Officer, and Senior Fellow
Freescale Semiconductor
Chair, SRC Board of Directors
and Honorary Conference Chair

Mark your calendars!

Semiconductor Research Corporation (SRC), the world's premier university-based research consortium, presents the **16th annual TECHCON** conference to be held September 7-9, 2014 in Austin, Texas.

All students working on SRC-sponsored research are encouraged to attend TECHCON 2014. Even if you are not presenting at the conference, it is a tremendous opportunity to network with other students, researchers and industry representatives. Don't miss out!

Connect, Learn...Be Inspired

- > Gain a broad view of cutting-edge semiconductor research across all SRC research programs.
- > Connect with top students in industry-related fields.
- > Consider over 160 technical student-presented papers and posters.
- > Take advantage of SRC's valuable CareerConnections.
- > Experience outstanding speakers from SRC member organizations.

Register Today!

Industry Participants: Register through your company's block

Government Participants: \$500

University Researchers: \$350

Non-presenting Students: \$150

Registration fee includes all sessions, 2 breakfasts, 2 lunches, Conference Banquet on Monday evening and Tuesday evening dinner. A limited number of guest tickets are also available for the banquet.

Special conference rate for single/double rooms at the Renaissance/Austin: \$181 plus tax. This special rate is available through August 16, 2014.

TECHCON 2014 is once again being held in Austin, Texas – a city filled with live music, great restaurants and fun activities. The Renaissance is conveniently located in the Arboretum, close to downtown and the University of Texas at Austin. Why not stay an extra day or two and enjoy the city?
