

**Note:** You may alter this slide design to match your template. Make sure your title slide includes all of the listed information, including the logo appropriate for your research

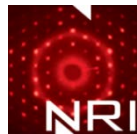

# Paper Title

Authors (presenter first)

University

Presenter's e-mail address

Logos available on SRC website at:  
<https://www.src.org/about/logos/>

Theme/Task: XXXX.XXX

# Visual Title Here – 36 pt. font, bold

- Use 24 pt. font or larger for readability
  - Use a landscape format
  - 40 words or less per visual
    - No more than 8 lines per visual
- Use Clear illustrations
- Include name and visual number as a footer on all visuals

# Tech Transfer

- Industry Interactions
  - List any industry experts involved with your research
  - Say a few words about your interactions with industry
- Internships (if appropriate)
  - Describe transfer/information exchange that happened during an internship at a member company
- Publications/presentations
  - Where is your work published (SRC website?)
  - Have you made a presentation to a member company?

# Motivation for Research

- Describe problem(s) addressed in your research
- Why is this research important to industry
  - Remember that your audience will include both people that are and are not familiar with your project
